

Applications Being Accepted

The **City of Potterville** is in the process of establishing their own **Volunteer Fire Department**, and as such we rely on members of our community to fill various positions within the organization. This provides the perfect opportunity for someone to give something special back to the community. Currently we are taking applications for fire department personnel (fire fighters/first responders). In addition, the City seeks a Fire Chief. If you are interested in exploring potential opportunities with us, please call 517-645-7641 for more information, or visit our city's website at www.pottervillemi.org for an application. You can also stop by the City anytime Monday – Friday during normal business hours or after hours on Monday, or Tuesday nights from 5:00pm to 7: 00pm.
