To: City Council  
From: Aaron Sheridan, City Manager  
Subject: Manager's Report

Please see my report items for this month and let me know if you have questions or comments. Thank you.

1. Michigan Department of Transportation (MDOT) Region and the Transportation Service Center (TSC) staff are satisfied with the City's land acquisition application and site plan drawings for possible purchase of land (4-5 acres) intended to be used for well head development near the corner Sunset Drive and Hartel Road (M-100). On August 28<sup>th</sup>, Mr. Joe Bonsall, Property Analyst of the MDOT's Development Services Division, informed the City that MDOT has provided preliminary approval of the City's request, and is proceeding to their full Engineering Review stage in their process. After hearing this news, I anticipate MDOT will have a sale price generated for the land in less in 1-2 months. Once MDOT has an offer generated for the purchase of their land, it will be provided to Council for review/action. Assuming the sale price is acceptable to Council, the project could move forward with a purchase with budgeted funds from the Water Fund 591.

2. The City's existing Municipal Employees' Retirement System (MERS) Defined Pension Plan has an employee contribution component that is subject to change, from time to time, due to market conditions and actuarial projections. As a result of the City's MERS actuarial report for all "DB Plan" enrollees has determined that employees must increase their own contribution from 2.97% to 4.42% to meet minimum deposit standards of the City's MERS Agreement as authorized by the 1996 Public Act 220. This change should be expected from time to time by all enrolled employees, and may be performed administratively (in order to maintain the agreed Employer expense cap of 10%) by the Manager by authorized Resolution of council. This Resolution to authorize the Manager to apply this administrative change as determined by MERS has been provided by MERS and is provided in your meeting packet.

3. The Eaton County Recycling Dumpster Site has been removed from City limits and a cost distribution summary has been provided to City Council outlining service levels for composting programs, rubbish removal, "Dump your Junk" events, and curbside leaf and brush activities. Volunteer events like the traditional "Earth Day" events could be considered associated costs of these services and include city employee hourly wages, fringe benefit costs and heavy equipment use if they are incurred. The removal of the County Dumpster site from Lake Alliance Park removes an active threat of hazardous waste contamination of the city public water supply and Lake Alliance. According to EGLE, recent passing of a new environmental rules package, levels of the emerging contaminant PFAS in groundwater near the Eaton County Landfill **now exceed state-mandated maximum contaminant levels**. This landfill site is relatively near Fox Lake County Park and lies northwest of the City limits along East Gresham Highway. It has now been listed on the Michigan PFAS Action Response Team's (MPART) website. The Lansing District Geologist and PFAS site-lead for this site, has been working since this announcement has been made, with the local and state health departments to determine possible health impacts related to this contamination.

Council action to remove the Eaton County dumpsite from the local area of Lake Alliance is a pro-active and preventative step towards avoiding contamination of the City's Lake Alliance and potable water supply. Groundwater is especially vulnerable to contaminants like PHAS and PHOS that are slow to break down and proven to migrate quickly through soils and underground aquaphor. Once these types of chemicals are present in a water supply or natural environment beyond safe levels, it can be an immediate financial and health crisis for local government. Health and environmental hazards associated with PHAS and PHOS, are a serious concern as these chemicals are now strictly regulated by EPA and EGLE have been linked to numerous health diseases including cancer. By removing the site, an elevated risk to local residents has been eliminated; and subsequently, council has saved approximately \$12,000 in General Funds and hours of productivity that may (or may not) be planned by Council as it deems appropriate, to fund services involving leaf pickup, brush removal, compost processing, composting hauling, delivery, capital replacement (wood chipper and/or trucks).

4. The City has solicited bids for a 5-year preventative maintenance agreement from private companies (Cummins, Wolverine and Caterpillar) to "load test" and inspect its backup power generators for the sewer system. This style of preventative maintenance is strongly recommended by the EGLE and numerous sewer/water operating guidelines and is recommended to be performed annually. Load testing of each generator shall be performed once a year for 5 years for all 4 generators, and consist of a minimum of 80% load test for each generator for 1.5 continuous hours. Each test will stress each generator to its functional maximum, and professionally evaluate its performance to identify any issues under planned conditions. Approval of the low bid Agreement would be made by council and cost around \$2,500 - \$2,800 annually = \$13k to \$14k over 5-years. Funds are earmarked from the City's Sewer Fund 590.

5. As you may have read in the County Journal newspaper - the *new* City Park Basketball Court is fully cured (28 days), and shall be stained and striped as soon the weather cooperates. The new 50ft x 50ft court, backboard, pole, and hoop are on hand and ready to be installed asap. A local painter has met with staff to review the striping pattern, baseline(s) and perimeter border in a yellow gold color, that will be laid on top of the maroon color surface. Alliance Lake Park is receiving a free upgrade in landscaping around its fishing pier curtesy of the Eaton County Conservation District, that received a zero-match grant to install "Natural Shoreline Biosystems" along the shoreline of Lake Alliance. The project promotes water quality and provides erosion control near the pier with native species planting, low impact ground cover, and "coir logs" made of organic material.

## **Parks & Recreation Department September 2020**

### **Parks:**

- Tree cutting crew is coming at the end of this month to continue the beautification project out at Lake Alliance. They had to reschedule from last month.
- City Park has received the swing mats as well. The holes underneath the swings have been taken care of and mats have been placed.
- We were reached out by Barry-Eaton Conservation District to install a natural shoreline demonstration plot out at Lake Alliance Park. The purpose of this is to significantly reduce levels of sediment, nutrients, and E. Coli which will improve the water quality within the Thornapple River Watershed. By creating a natural shoreline, it will provide a great educational location for the Potterville Public Schools and surrounding schools to learn about erosions, and the intentions of invasive plants and their job/responsibility they do along the edge of the water and grass to help prevent things such as algae and erosion. It is also a demonstration of what a nature shoreline is, what it looks like and the benefits it provides to nature and the community. This location is ideal as civilians from the surrounding cities come and visit. It is a grant program funded by the EPA through the Great Lakes Restoration Initiative (GLRI) and will be no cost to the City for the installation of the natural shoreline. They brought in a professional landscaper who has ideas of the kind of plants and layout of the plot and are looking to start the installation process this month. We look forward to this project and cannot wait for the results.

### **Recreation:**

- Basketball hoop has been put together, paint has arrived for the basketball court at City Park, we just need the weather to cooperate to start the next steps in completion of this project.
- We are at the end of our season, where ball games are hit or miss. With schools starting back up, teams lose players for whatever the circumstances may be; puts a struggle on getting enough teams to play and fully committed.
- Ball fields have been utilized during the week as we have a league using the baseball field through September and beginning of October. City Park Ball field will be having a few more games on it this season in September and October.
- Tournaments are slowing down, which is typical about this time, many organizations/associations are at the end of their season, and most tournaments that do take place will see a low turnout in teams just based on weather, their players, the quantity of teams that are fully committed to playing in a tournament and based on when the tournaments occur. We have seen many curveballs this year and we have handle them quite well. Our season does not end until the end of October which gives us about just a month left of the season.
- Parks Committee Meeting: Discussion was held as the holiday season is amongst us, and determination of a farmers market this year, during this pandemic. With how late the season already is, and by the time discussions were started to do a farmers market, we were already behind in the season. If we want to make this successful, to benefit

*from the Office of Clerk*

**September 2020**

As the Interim Clerk for the City, I am continually learning the ins and outs of the clerk's role. While taking care of the daily tasks it has allowed me to research topics of the past and gain knowledge to better understand the different job duties. Some of the tasks that I have been completing are confirming all the minutes and resolutions for the year are printed, signed and inserted in the binders, completing FOIA's, preparing council packets and of course minutes for the council.

Although, I am learning more of the different jobs of the City Clerk, still the majority of my time currently is preparing for the November 3, 2020 Presidential Election. I continue to do more online education for the election process. Each day there are many absentee voter applications to process that have come into the City by mail, drop box and online. This election will set records and we will many times exceed the number of absentee voters than ever before. To make sure the City's records stay accurate I have brought the electronic Qualified Voter File current with all the new and canceled registered voters, address and name changes as well as the hard copy master card file. Recently I ordered the supplies the City will need to process absentee voters. The State of Michigan is reimbursing jurisdictions for return postage for absentee ballots for each voter so we will include postage on each return envelope.

The ballots are scheduled to arrive by September 19<sup>th</sup> to allow us to have time to get the MOVE ballots (overseas and military) out on time. I will do the preliminary test Tuesday, September 22<sup>nd</sup>. The rest of the processed absentee ballot applications will be sent out to the voters by September 24<sup>th</sup>. Currently, I am working on creating the schedule for election inspectors and making sure everyone is trained. I have scheduled Election Commission Meeting for Tuesday, October 6, 2020 and the Public Accuracy Test for Tuesday, October 20, 2020.

If I can be of any assistance to you please feel free to contact me. I am in the office on Tuesdays and Thursdays, 8:30-5:00 and Monday and Fridays as needed.

Interim City Clerk

the community, it was voted to table it for this year as we are already in mid-September and not able to offer a long enough market season was a factor. We are continuing the planning process and will be ready for the 2021 season when things settle down and we can offer a long season that we can provide to the community. The holiday season is upon us and we are looking into getting the downtown ready for the fall seasons such as pumpkins, cornstalks, etc. Christmas event has begun as the date was set last year to be on the first Saturday in December to be consistent. Christmas Event is on Saturday, December 5, 2020 at 6:00 p.m. Some things are changing such as a new layout, bringing in color and expanding the garland on the light poles which will be going on Vermontville Highway.

- I am continuing my studies for the CPRP Exam that I will be taking this Fall.
- I have completed the training for the baseball field management and have received my certification. I look forward to implementing what I learned in training into the ball fields that we have and upkeeping on maintenance as well.

Dear Councilors,

I may not be able to make this month's council meeting, so I wanted to put together a paper report. Our biggest items recently are the new and old patrol vehicles and their current status along with the recent break-ins throughout the city.

The new Ford Interceptor has been received and the decals on the sides and rear of the vehicle have been installed. The Interceptor did come with some lights and sirens pre-installed on the exterior of the vehicle, however, we are currently waiting for an opening at Mid-Michigan Emergency Equipment (MMEE) to have the remainder of the necessary equipment installed. This extra equipment includes our radio, computer, prisoner screens and seat and additional exterior lighting. This is currently a few weeks out as of my last update from MMEE.

Once the equipment from the white Charger is removed and installed inside the Interceptor, we can complete the pending repair and initiate the sale. I currently have two parties that have expressed interest in the vehicle, one of which has already inspected it and is interested.

In the past month, we have had a large amount of items stolen from inside of vehicle around town, and three vehicle that were stolen. All three vehicle have been recovered from the Lansing area. After investigation at one of the recovery locations, I was able to observe video evidence of the vehicle being dropped off by suspects in one of the other stolen vehicles. At this time we do not have anybody in custody for those offenses but the investigation is ongoing. It is important to note that all the vehicles that had items stolen out of them were left unlocked, and the three vehicles that were stolen were unlocked and also had the keys inside. This occurs around the same time every year, and is mostly juveniles that are involved.

The police department is beginning our preparation for our tri-annual LEIN audit currently, which is a check on all of our policies, security, and audits our LEIN criminal history checks that are performed within the past three years. This will be completed by the end of October and will serve as proof that our agency is in compliance with the state and federal policies and laws put in place for access to our digital systems we have access to.

In the last month, the police department has been involved in 166 total incidents with 123 of them being self-initiated and 43 being calls for service.

Respectfully Submitted,

Chief R. Barry

**Re: Current Projects**

Below is a list of the projects I am currently working on for the City of Potterville. Please keep in mind, these projects do not include the day to day commutations or projects with property owners located in the City of Potterville.

- Three Zoning Referral's were issued during the month of August.
- Enforcements: Ten new enforcements were opened in the month of August. The violations include, but are not limited to blight (misc. junk and debris including junk vehicles), construction without permits, and grass.
- Recodification of City of Potterville Code of Ordinances: Municode will begin the legal review of our Code of Ordinances next week. We expect to have our first rough draft during the month of October.
- Social District: Our local business owner no longer wishes to peruse a Social District. The Planning Commission will be made aware of the past interest and be given the option to still create the Social District; I would expect this to be part of the Zoning Ordinance update if the Planning Commission chooses to move forward.
- DDA Pavilion: The survey for the DDA Pavilion property is now complete. It has been sent to our attorney for the completion of a deed.
- City of Potterville Sign (corner of Lansing Road and Hartel): The property was surveyed. While the sign is mostly on the property as legally described, the landscape area is encroaching on the neighboring property. I will work with the TIFA Board to facilitate the project of moving the sign.
- Zoning Board of Appeals: Training will be held for the Zoning Board of Appeals Members in October.
- Planning Commission: The Planning Commission will meet on Tuesday, September 15<sup>th</sup> to hear a Special Use Permit Application for Group Daycare (up to 12 children).

Please feel free to contact me directly with any questions or concerns. I can be reached by calling (517) 281-5659 or e-mail [Zoning@pottervillemi.org](mailto:Zoning@pottervillemi.org).

## CITY OF POTTERVILLE

### RESOLUTION NO. 20-0811-08

At a meeting of the City Council of the City of Potterville, Eaton County, Michigan, held in the City of Potterville City Hall 319 N. Nelson Street, Potterville, MI 48876, on the 17<sup>th</sup> day of September, 2020, at 7:00 p.m.

PRESENT:

ABSENT:

The following preamble and resolution were offered by Mayor Kring and seconded by Council Member

#### **RESOLUTION TO ALLOW DESIGNATED POSITION (Manager) TO SIGN MERS DOCUMENTS WITH THE NEED TO PROVIDE APPROVED MINUTES**

This Resolution is entered into under the provisions of 1996 PA 220 and the Municipal Employees' Retirement System of Michigan ("MERS") Plan Document, as each may be amended.

**WHEREAS**, The City of Potterville ("Employer") is a participating municipality with the Municipal Employees' Retirement System of Michigan ("MERS") and has adopted one or more retirement, insurance, investment or other post-employment benefit products administered by MERS;

**WHEREAS**, MERS requires signatures of an authorized representative of the Employer to execute contracts with MERS, the entry of which is authorized by the governing body and permitted under the applicable MERS Plan Document(s);

**WHEREAS**, the Employer wishes to designate certain job position(s), the holder(s) of which may sign MERS' contracts relating to the adoption, amendment and termination of MERS' products, and defined benefit service credit purchase approvals on behalf of Employer to implement decisions and actions of the governing body;

**WHEREAS**, this Resolution is not intended to apply to MERS forms or any other MERS document except as specifically mentioned herein,

Therefore, the Governing Body resolves:

## II. Effective Date

Check one:

A.  If this is the **initial** Adoption Agreement for this group, the effective date shall be the first day of \_\_\_\_\_, 20\_\_\_\_.

This municipality or division is new to MERS, so vesting credit prior to the **initial** MERS effective date by each eligible employee shall be credited as follows (choose one):

- All prior service from date of hire
- Prior service proportional to assets transferred; all service used for vesting
- Prior service and vesting service proportional to assets transferred
- No prior service but grant vesting credit
- No prior service or vesting credit

Link this new division to division number \_\_\_\_\_ for purposes of determining contributions (Unless otherwise specified, the standard transfer/rehire rules apply)

B.  If this is an **amendment** of an existing Adoption Agreement (Defined Benefit division number 01), the effective date shall be the first day of July, 2020. *Please note:* You only need to mark **changes** to your plan throughout the remainder of this Agreement.

C.  If this is a **temporary benefit** that lasts 2-6 months, the effective dates of this temporary benefit are from \_\_\_/01/\_\_\_ through \_\_\_/\_\_\_/\_\_\_ for Defined Benefit division number \_\_\_\_\_.  
Last day of month  
*Please note:* You only need to mark **changes** to your plan throughout the remainder of this Agreement.

D.  If this is to **separate employees** from an existing Defined Benefit division (existing division number(s) \_\_\_\_\_) into a new division, the effective date shall be the first day of \_\_\_\_\_, 20\_\_\_\_.

E.  If this is to merge division(s) \_\_\_\_\_ into division(s) \_\_\_\_\_, the effective date shall be the first of \_\_\_\_\_, 20\_\_\_\_.

## Defined Benefit Plan Adoption Agreement

### III. Eligible Employees

Only those Employees eligible for MERS membership may participate in the MERS Defined Benefit Plan. The following groups of employees are eligible to participate:

\_\_\_\_\_  
(Name of Defined Benefit division – e.g. All Full Time Employees, or General after 7/01/13)

Only retirees will be in this division.

**These employees are** (check one or both):

In a collective bargaining unit (attach cover page, retirement section, signature page)

Subject to the same personnel policy

**To receive one month of service credit** (check one):

An employee shall work 10 \_\_\_\_\_ hour days.

An employee shall work \_\_\_\_\_ hours in a month.

All employees as classified under eligible employees, whether full or part time, who meet this criteria must be reported to MERS. If you change your current day of work definition to be more restrictive, the new definition only applies to employees hired after the effective date.

To further define eligibility, check all that apply:

**Probationary Periods** are allowed in one-month increments, no longer than 12 months. During this introductory period, the Employer will not report or provide service time for this period, including retroactively. Service will begin after the probationary period has been satisfied.

The probationary period will be \_\_\_\_\_ month(s).

**Temporary employees** in a position normally requiring less than a total of 12 whole months of work in the position may be *excluded* from membership. These employees must be notified in writing by the participating municipality that they are excluded from membership within 10 business days of date of hire or execution of this Agreement.

The temporary exclusion period will be \_\_\_\_\_ month(s).

### IV. Provisions

Valuation Date: \_\_\_\_\_, 20 \_\_\_\_

#### 1. Review the valuation results

It is recommended that your MERS representative presents and explains the valuation results to your municipality before adopting. Please choose one:

Our MERS representative presented and explained the valuation results to the

\_\_\_\_\_ on \_\_\_\_\_  
(Board, Finance Cmte, etc.) (mm/dd/yyyy)

As an authorized representative of this municipality, I \_\_\_\_\_  
(Name)

\_\_\_\_\_ waive the right for a presentation of the results.

## Defined Benefit Plan Adoption Agreement

This Adoption Agreement will be implemented in conjunction with a current actuarial valuation certified by a MERS actuary that sets contribution rates.

Annually, the MERS actuary will conduct an actuarial valuation to determine the employers' contribution rates. Employers are responsible for payment of said contributions at the rate, in the form and at the time that MERS determines.

2. Benefit Multiplier (1%-2.5%, increments of 0.05%) \_\_\_\_\_ % (max 80% for multipliers over 2.25%)

Check here if multiplier will be effective for existing active members' future service only (Bridged Benefit as of effective date on page 1)

If checked, select one below:

- Termination Final Average Compensation (calculated over the members entire wage history)
- Frozen Final Average Compensation (FAC is calculated twice, once for the timeframe that matches the original multiplier, and once for the new multiplier)

3. Final Average Compensation (Min 3 yr, increments of 1 yr) \_\_\_\_\_ years
4. Vesting (5 -10 yrs, increments of 1 yr) \_\_\_\_\_ years
5. Normal Retirement Age will be the later of: \_\_\_\_\_ (any age from 60-70), or the vesting provision selected above (#4).
6. Required employee contribution (Increments of 0.01%) 4.42 %
7. Compensation for the Defined Benefit Plan means the salary or wages paid to an employee for personal services rendered while a member of MERS. Compensation and any applicable employee contributions must be reported to MERS on a monthly basis.

Employers shall define compensation using the following options (choose one):

- Compensation including all items as allowed in the MERS Plan Document (Section 14).

If anything varies, specify here:

Included: \_\_\_\_\_

Excluded: \_\_\_\_\_

- Base wages only.

If any items should be included, specify here:

Included: \_\_\_\_\_

- Medicare taxable wages as reported on W2.
- Wages plus amounts otherwise not reported as gross compensation, such as elected amounts for Section 125(a) or 457(b) deferrals.

11. Service Credit Purchase Estimates are:

- Not permitted  
 Permitted

### V. Appointing MERS as the Plan Administrator

The Employer hereby agrees to the provisions of this *MERS Defined Benefit Plan Adoption Agreement* and appoints MERS as the Plan Administrator pursuant to the terms and conditions of the Plan. The Employer also agrees that in the event of any conflict between the MERS Plan Document and the MERS Defined Benefit Plan Adoption Agreement, the provisions of the Plan Document control.

### VI. Modification Of The Terms Of The Adoption Agreement

If the Employer desires to amend any of its elections contained in this Adoption Agreement, including attachments, the Governing Body or Chief Judge, by resolution or official action accepted by MERS, must adopt a new Adoption Agreement. The amendment of the new Agreement is not effective until approved by MERS.

### VII. Enforcement

1. The Employer acknowledges that the Michigan Constitution of 1963, Article 9, Section 24, provides that accrued financial benefits arising under a public Employer's retirement plan are a contractual obligation of the Employer that may not be diminished or impaired, and prohibits the use of the Employer's required current service funding to finance unfunded accrued liabilities.
2. The Employer agrees that, pursuant to the Michigan Constitution, its obligations to pay required contributions are contractual obligations to its employees and to MERS and may be enforced in a court of competent jurisdiction;
3. In accordance with the Constitution and this Agreement, if at any time the balance standing to the Employer's credit in the reserve for employer contributions and benefit payments is insufficient to pay all service benefits due and payable to the entity's retirees and beneficiaries, the Employer agrees and covenants to promptly remit to MERS the amount of such deficiency as determined by the Retirement Board within thirty (30) days notice of such deficiency.
4. The Employer acknowledges that wage and service reports are due monthly, and the employee contributions (if any) and Employer contributions are due and payable monthly, and must be submitted in accordance with the MERS Enforcement Procedure for Prompt Reporting and Payment, the terms of which are incorporated herein by reference.
5. Should the Employer fail to make its required contribution(s) when due, the retirement benefits due and payable by MERS on behalf of the entity to its retirees and beneficiaries may be suspended until the delinquent payment is received by MERS. MERS may implement any applicable interest charges and penalties pursuant to the MERS Enforcement Procedure for Prompt Reporting and Payment and Plan Document Section 79, and take any appropriate legal action, including but not limited to filing a lawsuit and reporting the entity to the Treasurer of the State of Michigan in accordance with MCL 141.1544(d), Section 44 of PA 436 of 2012, as may be amended.
6. The Employer acknowledges that changes to the Employer's MERS Defined Benefit Plan must be made in accordance with the MERS Plan Document and applicable law, and agrees that MERS will not administer any such changes unless the MERS Plan Document and applicable law permit same, and MERS is capable of administering same.

### LOAD-BANKING OPTION

Load Bank testing is a practical method of testing the generator's output under realistic circumstances. Providing on-demand power is the essential directive for a generator. Exercising at less than 100% full-rated load can cause inferior or older systems to run less reliably. Load bank testing rids the exhaust ports and valves of carbon and cylinder-bore buildup, as well as reveals frail electrical components. This can be performed without disabling or interrupting the generator's capabilities. This is normally a process for customers in which we incrementally increase the kW load and record several different readings on a 15-minute interval. Load bank testing will insure that your generator complies with the industry code requirement of NFPA-110, Standard for Emergency and Standby Power Systems.

RE: Planned Maintenance Proposal

Dear Jesse Trout,

Cummins Sales and Service is a premier engine and power generation systems provider committed to delivering fast and proven solutions to our customers. We are pleased to offer you a Planned Maintenance Proposal for your review and approval. Due to the critical nature of your standby power system, this Agreement was developed based on your specific needs and equipment to ensure maximum performance and reliability.

#### Benefits of Planned Maintenance

- Improves system reliability.
- Maintenance performed by certified technicians specifically trained in power generation.
- PM customers receive preferred service for unscheduled emergency repairs.
- Creation of a service record for customer equipment.
- Additional maintenance recommendations documented at that time.
- Scheduling managed by Cummins Sales and Service to ensure timely maintenance intervals.
- Eliminates administrative burden, covers equipment from multiple vendors.

Please sign, date and return the enclosed Agreement to our office along with any purchase documentation necessary so we can tend to your servicing needs. Planned Maintenance Agreements are "auto-renewed" annually prior to the end of your agreement. Should you have any questions or require additional information on this or any other subject relating to your equipment, please feel free to contact me. We look forward to the opportunity to earn your trust and business.

Sincerely,

*James Sweeney*

## PLANNED MAINTENANCE AGREEMENT TERMS AND CONDITIONS

These Planned Maintenance Agreement Terms and Conditions, together with the Quote on the front side and the Scope of Services, are hereinafter referred to as this "Agreement" and shall constitute the entire agreement between the customer identified in the Quote ("Customer") and Cummins Inc. ("Cummins") and supersede any previous agreement or understanding (oral or written) between the parties with respect to the subject matter of this Agreement. In the event of any inconsistency between this Agreement and any purchase order, terms and conditions or other document produced or delivered by Customer, the terms and conditions of this Agreement shall take precedence.

**1. SCOPE OF SERVICES; PERFORMANCE OF SERVICES.** Cummins shall perform the maintenance ("Services") on the equipment identified in the Quote ("Equipment") in accordance with the schedule specified in the Quote. The Services include those services defined in the "Service Event" section of the Quote. No additional services or materials are included in this Agreement unless agreed upon by the parties in writing. Unless otherwise indicated in the Quote, Cummins will provide the labor and tools necessary to perform the Services and shall keep Customer's property free from accumulation of waste materials caused by Cummins' operations. Either party may terminate this Agreement with or without cause by providing thirty (30) days written notice to the other.

**2. CUSTOMER OBLIGATIONS.** Customer shall provide Cummins safe access to Customer's site and arrange for all related services and utilities necessary for Cummins to perform the Services. During the performance of the Services, Customer shall fully and completely secure all or any part of any facility where the Equipment is located to remove and mitigate any and all safety issues and risks, including but not limited to facility occupants, customers, invitees, or any third party and or property damage or work interruption arising out of the Services. Customer shall make all necessary arrangement to address and mitigate the consequences of any electrical service interruption which might occur during the Services. **CUSTOMER IS RESPONSIBLE FOR OPERATING AND MAINTAINING THE EQUIPMENT IN ACCORDANCE WITH THE OWNER'S MANUAL FOR THE EQUIPMENT.**

**3. PAYMENT TERMS.** Unless otherwise agreed to by the parties in writing and subject to credit approval by Cummins, payments are due thirty (30) days from the date of the invoice. If Customer does not have approved credit with Cummins, as solely determined by Cummins, payments are due in advance or at the time of supply of the Services. If payment is not received when due, in addition to any rights Cummins may have at law, Cummins may charge Customer eighteen percent (18%) interest annually on late payments, or the maximum amount allowed by law. Customer agrees to pay all Cummins' costs and expenses (including all reasonable attorneys' fees) related to Cummins' enforcement and collection of unpaid invoices, or any other enforcement of this Agreement by Cummins. Unless otherwise stated, the Quote excludes all applicable local, state, or federal sales and/or use or similar taxes which Cummins is required by applicable laws to collect from Customer and shall be stated on the invoice.

**4. DELAYS.** Any performance dates indicated in this Agreement are estimated and not guaranteed. Cummins shall not be liable for any delays in performance however occasioned, including any that result directly or indirectly from acts of Customer or causes beyond Cummins' control, including but not limited to acts of God, accidents, fire, explosions, flood, unusual weather conditions, acts of government authority, or labor disputes.

**5. WARRANTY.** Cummins shall perform the Services in a reasonable and workmanlike manner. Parts and components supplied under this Agreement are governed by the express written manufacturer's limited warranty. No other warranty for parts or components is provided under this Agreement. All Services shall be free from defects in workmanship for a period of ninety (90) days after completion of Services. In the event of a warrantable defect in workmanship of Services supplied under this Agreement ("Warrantable Defect"), Cummins' obligation shall be solely limited to correcting the Warrantable Defect. Cummins shall correct the Warrantable Defect where (i) such Warrantable Defect becomes apparent to Customer during the warranty period; (ii) Cummins receives written notice of any Warrantable Defect within thirty (30) days following discovery by Customer; and (iii) Cummins has determined that there is a Warrantable Defect. Warrantable Defects remedied under this provision shall be subject to the remaining warranty period of the original warranty of the Services. New parts supplied during the remedy of Warrantable Defects are warranted for the balance of the warranty period still available from the original warranty of such parts. The remedies set forth in this Section 5 shall not be deemed to have failed of their essential purpose so long as Cummins is willing to correct defective Services or refund the purchase price therefor.

### **6. LIMITATIONS OF WARRANTIES AND LIABILITY.**

**THE REMEDIES PROVIDED IN THE LIMITED WARRANTY AND THIS AGREEMENT ARE THE SOLE AND EXCLUSIVE WARRANTIES AND REMEDIES PROVIDED BY CUMMINS TO THE CUSTOMER UNDER THIS AGREEMENT. EXCEPT AS SET OUT IN THE WARRANTY AND THIS AGREEMENT, AND TO THE EXTENT PERMITTED BY LAW, CUMMINS EXPRESSLY DISCLAIMS ALL OTHER REPRESENTATIONS, WARRANTIES, ENDORSEMENTS, AND CONDITIONS OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY STATUTORY OR COMMON LAW IMPLIED REPRESENTATIONS, WARRANTIES AND CONDITIONS OF FITNESS FOR A PURPOSE OR MERCHANTABILITY.**

**NOTWITHSTANDING ANY OTHER TERM OF THIS AGREEMENT, IN NO EVENT SHALL CUMMINS, ITS OFFICERS, DIRECTORS, EMPLOYEES, OR AGENTS BE LIABLE TO CUSTOMER OR ANY THIRD PARTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING WITHOUT LIMITATION DOWNTIME, LOSS OF PROFIT OR REVENUE, LOSS OF DATA, LOSS OF OPPORTUNITY, DAMAGE TO GOODWILL, AND DAMAGES CAUSED BY DELAYS) IN ANY WAY RELATED TO OR ARISING FROM CUMMINS' SUPPLY OF PARTS OR SERVICES UNDER THIS AGREEMENT. IN NO EVENT SHALL CUMMINS' LIABILITY TO CUSTOMER OR ANY THIRD PARTY CLAIMING DIRECTLY THROUGH CUSTOMER OR ON CUSTOMER'S BEHALF UNDER THIS AGREEMENT EXCEED THE TOTAL COST OF PARTS AND SERVICES SUPPLIED BY CUMMINS UNDER THIS AGREEMENT. BY ACCEPTANCE OF THIS AGREEMENT, CUSTOMER ACKNOWLEDGES CUSTOMER'S SOLE REMEDY AGAINST CUMMINS FOR ANY LOSS SHALL BE THE REMEDY PROVIDED HEREIN.**

**7. INDEMNITY.** Customer shall indemnify, defend and hold harmless Cummins from and against any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, brought against or incurred by Cummins related to or arising out of this Agreement or the Services supplied under this Agreement (collectively, the "Claims"), where such Claims were caused or contributed to by, in whole or in part, the acts, omissions, fault or negligence of the Customer. Customer shall present any Claims covered by this indemnity to its insurance carrier unless Cummins directs that the defense will be handled by Cummins' legal counsel at Customer's expense.

**8. CONFIDENTIALITY.** Each party shall keep confidential any information received from the other that is not generally known to the public and at the time of disclosure, would reasonably be understood by the receiving party to be proprietary or confidential, whether disclosed in oral, written, visual, electronic or other form, and which the receiving party (or agents) learns in connection with this Agreement including, but not limited to: (a) business plans, strategies, sales, projects and analyses; (b) financial information, pricing, and fee structures; (c) business processes, methods and models; (d) employee and supplier information; (e) specifications; and (f) the terms and conditions of this Agreement. Each party shall take necessary steps to ensure compliance with this provision by its employees and agents.

**9. GOVERNING LAW.** This Agreement and all matters arising hereunder shall be governed by and construed in accordance with the laws of the State of Indiana without giving effect to any choice or conflict of law provision. The parties agree that the courts of the State of Indiana shall have exclusive jurisdiction to settle any dispute or claim arising in connection with this Agreement.

**10. INSURANCE.** Upon Customer's request, Cummins will provide to Customer a Certificate of Insurance evidencing Cummins' relevant insurance coverage.

**11. ASSIGNMENT.** This Agreement shall be binding on the parties and their successors and assigns. Customer shall not assign this Agreement without the prior written consent of Cummins.

**12. INTELLECTUAL PROPERTY.** Any intellectual property rights created by either party, whether independently or jointly, in the course of the performance of this Agreement or otherwise related to Cummins pre-existing intellectual property or subject matter related thereto, shall be Cummins' property. Customer agrees to assign, and does hereby assign, all right, title, and interest to such intellectual property to Cummins. Any Cummins pre-existing intellectual property shall remain Cummins' property. Nothing in this Agreement shall be deemed to have given Customer a licence or any other rights to use any of the intellectual property rights of Cummins.

**13. MISCELLANEOUS.** Cummins shall be an independent contractor with respect to the Services performed under this Agreement. All notices under this Agreement shall be in writing and be delivered personally, mailed via first class certified or registered mail, or sent by a nationally recognized express courier service to the addresses set forth in the Quote. No amendment of this Agreement shall be valid unless it is writing and signed by the parties hereto. Failure of either party to require performance by the other party of any provision hereof shall in no way affect the right to require such performance at any time thereafter, nor shall the waiver by a party of a breach of any of the provisions hereof constitute a waiver of any succeeding breach. Any provision of this Agreement that is invalid or unenforceable shall not affect the validity or enforceability of the remaining terms hereof.

**14. ON-CALL SERVICES.** Upon Customer's request, Cummins shall provide on-call services (repair, emergency work or other) on the Equipment ("On-call Services"). Any On-call Services shall be invoiced to the Customer at the Cummins current hour rate (including traveling) and shall be governed by the terms and conditions of this Agreement.
