RE: Resurfacing of Sunset Hills Drive

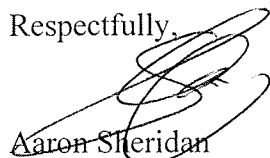

Dear Sunset Hills Residents,

Please be aware an asphalt resurfacing project will be starting September 19<sup>th</sup> on Sunset Drive near the southeast entrance of the Sunset Hills subdivision. Scope of work includes 1,950 linear feet of new asphalt for Sunset Drive, starting near Pine Hill Drive thence east towards the start of the 2017 road extension; and includes 30 linear feet for side streets Hill Top Drive, Beechwood Court and Rolling Hills Drive. All project work is weather dependent.

During construction periods, please remove any cars, vehicles and/or personal property like garbage cans, portable basketball hoops, etc... from your street's right of way. If you require assistance in removing objects, please contact the City Hall. The City's Department of Public Works is here to help if it can.

As a safety precaution please avoid approaching or passing construction equipment while it is in operation. Due to reduced visibility from dust and debris it is necessary for traffic to slow down and maintain a safe distance from project activities. If you have questions or concerns regarding the project, please contact me at City Hall (517) 645-7642 or email [manager@pottervillemi.org](mailto:manager@pottervillemi.org).

Respectfully,

Aaron Sheridan  
City Manager
